Leadership Retreat Packages
Sponsored by Coca-Cola

Thanks to the generosity of Coca-Cola, the SOURCE is once again able to offer Leadership Retreat Packages to registered and active Student Organizations!

A retreat would be an experience for your organization with a leadership focus meant to cultivate and retain officers and members. Our motivation is the belief that student leaders can be more effective in their positions and personal lives by developing leadership skills and creating unity within their organization and the greater campus community.

Please complete the following application for retreats taking place in Autumn Quarter 2006. Applications are due to Ohio Union – Room 211 by 5pm. Thank you!
